KMC
PREMIUM SOLVENT INK

PROMISE

The chief advantage is that these inks produce sharp, crisp output at high speeds. Add to this the fact that the inks are best suited for vehicle graphics, billboards, banners and adhesive decals. The ink is also reformulated for faster dry times and enhanced image quality. ensures smoothest prints for outdoor print.

APPLICATIONS

KMC ink is recommended for outdoors - hoarding, sign boards, banners, vehicle graphics, billboards, adhesive decals etc.

BENEFITS

Vivid, bright colors that match the original image

Better coverage

Minimal blockage on heads

Fast drying formulation on media for high speed production

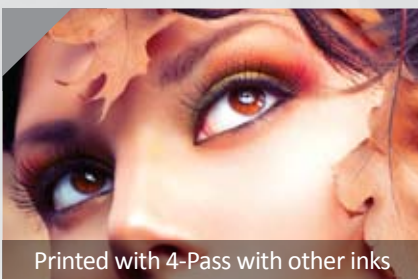

Better jetting performance

Fired seamlessly from head due to high quality pigment

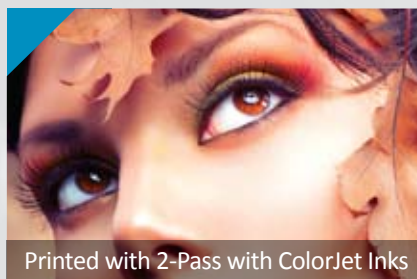

Scratch resistance tested via scratch test as per global standards of color system

Long outdoor lifespan ensured by strict quality control upto 12 months*
